

## Travel Notes

### **Travelling from the East:**

When travelling on the A14 from the east, leave the A14 immediately after the Cambridge Services, following the signs for the A1307. At the top of the slip road take the 4<sup>th</sup> exit from the roundabout, cross over the A14 and take the 1<sup>st</sup> exit off the next roundabout signposted A1307 Huntingdon. Remain on the A1307 until you come to the 1<sup>st</sup> set of traffic lights (excluding any temporary lights for road works!) where you need to turn right onto Pathfinder Link Road. At the end of this road you need the right hand lane to turn right at the traffic lights. Take care when turning right as it is almost like turning into on-coming traffic. At the give-way sign turn left into St Mary's Street (a one-way street) and proceed to the T-junction where you will see St Mary's Church straight ahead.

At this junction you will see the Methodist Church signposted to the right, but only turn right if you have reserved parking at the Church. For everyone else turn left into the High Street then right into Hartford Road and continue to the traffic lights where you need to be in the left hand lane. Turn right into Nursery Road remaining in the left hand lane and where the road forks take the left hand fork. Immediately after the pedestrian crossing you will see the entrance to a car-park on your right. This is the Riverside Car Park (Car Park A on the map) where stewards will be available to direct you towards the church.

For the Bridge Street Car Park (Car Park B on the map), once on Nursery Road you need to remain in the left hand lane, don't fork left to Car Park A but remain on the road, running parallel to the river and then forking left as you approach the Old Bridge Hotel. Cross the old bridge, pass the old mill (now flats) and just after the pedestrian crossing turn left into Car Park B where again stewards will be on hand to direct you to the church.

***NB - The A1307 used to be the A14 before the new A14 section was built. Not all sat-navs have been updated and some may still show this road as the A14 and do not show the A1307 turn-off from the A14 or the Pathfinder Link Road.***

When returning home after Synod, from Car Park A turn left as you leave, stay in the left-hand lane past the Old Bridge Hotel and then at the next traffic lights turn left into Pathfinder Link Road and left onto the A1307. From Car Park B turn right to return over the old bridge, take the left-hand lane round past the Old Bridge Hotel and then follow as above.

### **Travelling from the North:**

If travelling from the north of the District come down on the A141 and as you approach Huntingdon at the roundabout by the BP petrol station take the second exit (for the town centre) and after 1 mile you will see the Riverside Car Park on your left (Car Park A on the map). After Synod turn right on leaving the car-park and re-trace your route.
